

Thinking About Your Artist in Residence Experience

Please have core group students think about their artist residency experience and complete the following questions. Submit completed forms to the Northern Tier Partnership For Arts in Education office. (601 Main Street, Towanda, PA 18848)

Host Site _____ Name (optional) _____

Grade/Age _____ Name of Artist _____ Dates of Residency _____

Please print neatly.

What did you think of this art form before you met the artist?

What do you think of the art form now that you have experienced it with this artist?

What was the most important thing you learned from the artist?

What was your favorite part of what you did with the artist? Why?

What was your least favorite thing about what you did with the artist? Why?

Please Complete Other Side....

Read each sentence below and think about the artist you worked with. Then circle true or false for each sentence.

- | | | |
|--|------|-------|
| Artists like to read..... | True | False |
| Artists don't use math..... | True | False |
| Artists never have to practice..... | True | False |
| Artists like only their own work..... | True | False |
| Artists work hard to develop their skills..... | True | False |

Read each question. Think about the lessons the artist taught. For each question draw a circle around the answer that describes what you think.

- | | | | |
|---|-------|----------|------------|
| How much do the artist's lessons help you in math? | A lot | A little | Not at all |
| How much do the artist's lessons help you in reading? | A lot | A little | Not at all |
| How much do the artist's lessons help you in science? | A lot | A little | Not at all |
| How much do the artist's lessons help you to learn
About other lands and people? | A lot | A little | Not at all |
| How much do the artist's lessons help you outside
Of school? | A lot | A little | Not at all |
