## Wilcox Engraving Puts Finishing Touch on Keystone Renovations

As the Bradford County Regional Arts Council prepares to celebrate the Grand Re-Opening of the historic Keystone Theatre, Cindy & Gary Wilcox of Wilcox Engraving helped put the finishing touches on the recent renovations with newly engraved donor seat plaques.

The new seat plaques, which recognize people who have “purchased seats” by making donations to support the Keystone Theatre, are attached to the edge of each seat so that they can be viewed when the seats are in an upright position. Wilcox Engraving donated the engraving in addition to making a cash donation to the Theatre.

The recent renovations to the Keystone Theatre’s historic auditorium included upgrades for improved accessibility such as the new self-rising seats and aisle lighting, additional handicap accessible seating spaces and improved floor slopes.

“We are very grateful for the accessibility improvements,” stated Sheila and Ed Krauss of Ulster at a recent live performance in the Keystone Theatre. “The new slope to the entrance and generous space for the wheelchairs made our Keystone experience very comfortable.”

The Keystone Theatre is the oldest operating theatre in northeastern Pennsylvania. Come out and help the BCRAC celebrate this wonderful gem during a Grand Re-Opening Celebration Week, December 2 – December 10th! Activities and specials are planned for each day. Watch for details and more specials on the BCRAC Facebook page at [www.facebook.com/BCRAC](http://www.facebook.com/BCRAC) and on the BCRAC web site at [www.bcrac.org](http://www.bcrac.org).
